### **Game Descriptions** (Page 8 of Rat Games Rule Book)

**Heads or Tails**-Work your dog at a distance with limited rats on course: two in the half you are on and two in the other half (distance challenge).

**Distance**-Another distance challenge similar to Heads or Tails except the entire course is behind a distance line.

**Speed**-Learn how to handle stress by focusing on finding each rea within 30 seconds or less and optionally, calling clear when your dog is complete.

**Pairs**-Teamwork is beautiful thing to behold. Two people, two dogs and four minutes to find six rats.

**Tunnels**-Two minutes and lots of tunnels. Complete as many as you can but no points for repeating them.

**Bet the Farm**-A point game based on speed and similar to Mad Hatter with a twist! You don't know the number of rats on a course and you may call clear when course is clear of rats for a bonus.

**Mad Hatter**-Have we gone mad?! Ten rats on course every time is a doggie smorgasbord and total fun for the dog! Have fun and find rats!

**Me First**-Dogs race head to head on their own mirror image courses. The first to call rat correctly wins.
